My favorite time of year has arrived!! Fall is such a refreshing time - cool, crisp air and the change of leaves; fall displays; chocolate candy everywhere!! We are so blessed in East Tennessee! Even amidst the crisis of all that is going on and along with the uncertainty of the future, I pray we'll all remember to love first, criticize less and look for the blessing all around us! .

We had our mortgage burning on September 2. What an exciting milestone for us to be able to pay off our mortgage and have extra for our house maintenance fund. Thank you to all who gave!!

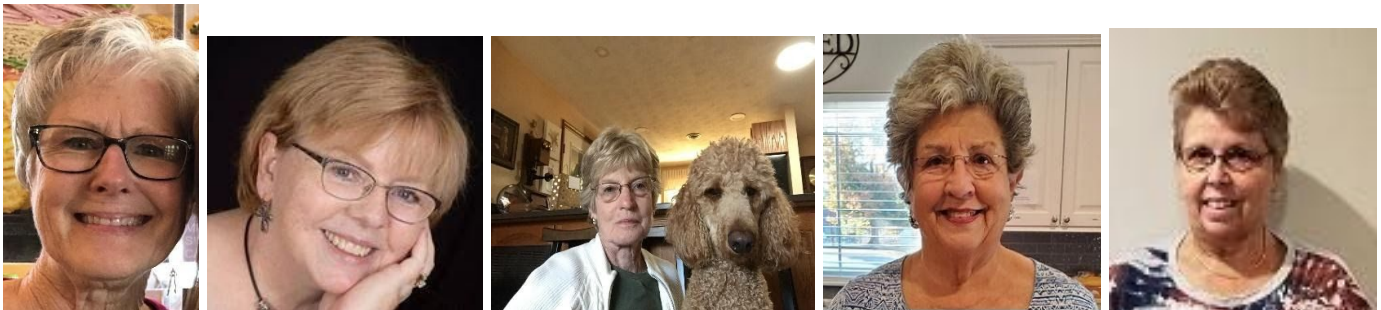

We would love for you to consider becoming a volunteer for the Serenity House. We continue to take necessary precautions for Covid 19 and will make every effort to ensure safety though social distancing and masking. Please let us know if you would like to join our Serenity Family as a volunteer!! On our next page, we are honoring our staff and volunteers who are all heroes!! Thank you for your continued support and love to our patients and their families through the on-going pandemic!

“Kindness can transform someone's dark moment with a blaze of light.

You'll never know how much your caring matters.

Make a difference for another today.” — [Amy Leigh Mercree, author](#)
