It's the holidays and what is known as the "most wonderful time of the year," however, for those facing end of life, this can be a lonely, scary time. For those who have experienced a loss, the holidays can also be a time of dread, isolation and extreme depression. Serenity House has been blessed with wonderful caregivers and volunteers and I am so proud of all they have done to help our residents and families cope with sadness, loss and feelings of hopelessness.

Please know that if you are feeling lonely, we are here with a listening ear, as well as the bereavement coordinators from the hospice agency that your loved one received care from. The sense of family that we have been able to provide for so many is truly a blessing.

A special thank you to our staff and volunteers for all they have done during this difficult year we have dealt with. Thank you as well, to all who have supported us financially and to all families who have entrusted us with the care of your loved ones this past year. My heart goes out to all who have suffered loss this year and I pray that you will sense God's grace and comfort this season and in the year ahead. Merry Christmas!!
