I hope everyone has started the year out with great anticipation for getting back to “normal”....or maybe not!!! Please get vaccinated as soon as you are able - better protection for you and your loved ones!!

Unfortunately, our Derby DeMayo Fundraiser, which would have been scheduled for May 1, has been cancelled again this year to allow time for vaccinations and decrease in COVID-19 exposure. We hope to plan a fun event in the fall. We would appreciate any financial support you can give, as we are staying full and continue to care for those at end of life who cannot be home. We have continuously allowed for family visits (with strict safety precautions) and covet your prayers for continued safety for residents, staff, volunteers and family members of those we serve.

If you are interested in volunteering or sending financial support, please visit our website at [www.hospicefriends.org](http://www.hospicefriends.org).

**THANK YOU AND BLESSINGS FOR A SAFE AND  
WONDERFUL 2021!!**
